### \*ON DUTY

Parents of age group 'on duty' on the specified weeks are to help with set-up, BBQ and the pack up of nippers on that Sunday. Please come to training a little earlier or be prepared to stay a little later. Many hands make light work and we hope with this 'duty system' that we will share the load and make nippers run really smoothly!

All jobs for parents are on a board at the information tent or can be found on our website.
